

Eunice & Rod's **Service Directory**

NUMBERS TO KNOW!

The numbers listed are of individuals and companies that Eunice and Rod have used through the years, *or have been referred to us by satisfied customers and clients.*

While we know that no one can please everyone, we ask that you let us know if you ever have an unpleasant experience with anyone listed.

If you have someone that you think should be on the list, please let us know and we will consider adding them to it.

Products Recommended by Others

Shelia Shine - for polishing outdoor stainless steel kitchens, from Alspaugh's

Stonetech Revitaliser Cleaner & Protector - citrus scent mold & mildew resistant protector for all natural stone surfaces, from Alspaugh's

Gel Gloss - for formica, and cultured marble sinks and countertops

Howard's Restor - a finish for cleaning wood stained cabinets, from Alspaugh's

Howard's Restor - When there is no polyurethane, use as a finish on wood front doors. Then, finish with a top coat of Howard's Sun Wax. If there is a poly finish, sand lightly and use a heavy pigmented stain from ZAR.

Mor-Flexx - for repairing cracks in brick mortar

Good Bye Cracks - for repairing cracks in sheetrock

A-MAZ Water Stain Remover - Removes hard water stains on glass and shower doors, from Alspaugh's

Sun Shield - for faded front doors caused by the sun. Also good for teak furniture. Previously sold under the name of Sunwax.

Air Sponge - Use to eliminate odors inside the house.

Dirt Blaster - Use to clean the coils in the A/C

Bio-ZAP - Use to get rid of pet urine odors. Usually applied to the concrete under the carpet.

If you have any questions, speak to Chris or Jim at Alspaugh's.
